

Buon appetito!

The Dough

Your pizza is made with imported 00 flour. The Pizza Napoletana dough is specially fermented for 24-48 hours to give you a flavour and texture that you will love. Enjoy the crust with our olio di peperoncino (chilli oil) or drizzle it over your pizza!

Rossa Or Bianca

The literal translation of Pizza Rossa is "red pizza". Choose between our slow cooked tomato sauce or take it up a notch and upgrade to our 'San Marzano' tomato sauce.

Upgrade : Medium - 80 / Large - 100

Pizza Bianca or "white pizza" is devoid of tomato sauce, but not flavour. By omitting the sauce that most pizzas build on, the toppings take centre stage.

Choose Your Cheese

Fior di latte translates to "flower of milk", referring to fresh mozzarella made from cow's milk, rather than water buffalo. Its freshness and high moisture content makes your pizza more creamy and delicious. Upgrade for this extra goodness!
